

3rd Annual Maritime Poultry Meet

Date: Saturday, October 5, 2019
Location: 30 Bonshaw Road, Bonshaw, P.E.I.

We are pleased to host the 3rd Annual Maritime Poultry Meet at our property 30 Bonshaw Road in Bonshaw, Prince Edward Island. This is a one day show located between the Confederation Bridge and the City of Charlottetown. Last year's show proved to be very successful with a great display of quality birds, amicable exhibitors, an impressive number of junior exhibitors and a great turnout from the general public.

The show is open to all waterfowl, chickens, turkeys, pigeons and exotic birds. ILT vaccinations **ARE NOT** mandatory on Prince Edward Island (We have had many out-of-province exhibitors pose that question).

We are very excited to announce this year's judges:

Chickens and Waterfowl: Jacob Bates, Charleston, Arkansas, USA (Licensed APA/ABA judge)

Pigeons: Ryan Ward, Annapolis Valley, NS

Entries, inquiries and E-transfers can be emailed to Scott Mitchell at smitchellkingston@gmail.com
