Dan Mullen

Long time New England Bantam Club member Daniel J. Mullen of West Barnstable, MA passed away May 11, 2021 at age 86.

Dan joined the club way back in 1946. Growing up in Milton, Dan was a graduate of Stone Hill College, joined the Naval Reserve attaining the rank of Lt. Commander then received a law degree from Suffolk Law School while working nights.

Dan worked for a number of different public and private concerns in his capacity as an attorney. After retiring he cultivated cranberries and was involved in the culture of cranberry growers.

Dan's first contact with the club began when he was 11 years old when he attended shows with his father-in-law, Joe Haley. After 5 years in the Navy, he returned home and got back into chickens. He raised mostly Old English and Sebrights. I always enjoyed his stories of the famous Whitman Town Hall shows of the past, that featured sit down dinners in the basement. He would also talk about the spring lawn shows at the Abington Grange, all run by then Show Secretary Paul Fountain. Dan held the office of Vice President for a few years and was a Trustee for several more.

Dan was a long-time loyal supporter of the NEBC. In addition to financial support, he was always there to help set up the show and pitch in whenever he could. I knew I could always count on Dan. In the last few years due to his age, his visits to help became shorter but he always kept in touch to see how the club was doing and offering to help where he could. I will miss Dan as I'm sure those he got to know him will.
